### **GUARANTEES BY BREEDER**

Congratulations on the purchase of your new puppy! Everything possible has been done to ensure that he/she gets the best start possible. The puppy has been found in good health. Veterinarian health checked on \_\_\_\_\_.

The puppy has been started on its vaccination series, has been dewormed, and given lots of T.L.C. At the time of sale, Breeder believes the puppy is a healthy, sound, quality puppy. Breeder affirms that there are no known genetic defects in the sire and dam of this puppy. Buyer must have puppy examined by a licensed Veterinarian of their choice & expense, within 72 hours from date of delivery. Failure to do so will result in all guarantees being void. We only accept responsibility for any symptoms of PARVO & CORONA within 48 hrs of purchase. We do not guarantee against Coccidiosis or Giardia after the date of purchase. Note: Cherry eye and Entropion are considered cosmetic problems and are not covered by our guarantee. However, if either occurs while in our possession, we will fix it at no additional charge.

1. This Chow Chow puppy is ACA registered and the Breeder will furnish the ACA papers and pedigree. The buyer is responsible for registration fees and submitting the paperwork.

2. **FOR BREEDING/SHOW QUALITY POTENTIAL ONLY:** At the time of sale this Chow Chow puppy demonstrates show/breeding quality.

**Buyer's Initials** \_\_\_\_\_

**NOTE:** We do NOT consider missing teeth, coat ticking, or poor temperament resulting from lack of socialization, to be flaws that would cause a dog not to be show quality. If the Buyer does not socialize this puppy it is not the fault of the Breeder.

**3. Health Guarantees:** Seller provides a one year health guarantee on any one puppy that is purchased from Chowifornia. If the above dog develops a severe genetic disease before its first birthday and can no longer function as a pet the breeder will replace the puppy at no charge with a comparable puppy or the Buyer may choose to receive a refund of no more than the total price of the puppy. However, if the Buyer chooses the first option of a comparable puppy the Buyer will be placed at the top of the Breeder's breeding list of a future litter. If the Buyer chooses to receive a refund, the Buyer will be required to provide a certified documented veterinarian letter within 15 days of the puppies diagnoses, to include but not limited to X-rays, to the Seller which can then be evaluated by the Seller's veterinarian. The buyer's veterinarian must state in writing that the condition will prevent the dog from leading a reasonably normal life. If the Buyer chooses to have corrective surgery to address this condition, which will enable the dog to lead a reasonably normal life with a normal life expectancy, Chowifornia's guarantee will not apply.

However, if the Buyer must have their dog euthanized based on their health provider's prognosis, the one year health guarantee will apply with written proof of said euthanization. This guarantee does not include uneven bites, undropped testicles, umbilical hernia, and or entropion. Unless otherwise

**Buyer's Initials** \_\_\_\_\_

specified, all vet bills for corrective surgery, cosmetic surgery, shots and normal health care, euthanasia, spay/neuter and also travel costs are responsibility of the Buyer. Once the Seller has confirmed the diagnosis with their veterinarian the Seller will provide the Buyer with the Buyer's chosen option of a replacement puppy or a full refund, as soon as the Seller has availability at their discretion. The Seller will try to provide the Buyer with a puppy of the same sex, accepting the fact that the Seller is at the mercy of Mother Nature for numbers, colors and sex of the puppies. Waiting time for a replacement puppy will vary depending on the number of litters the Seller may have at any given time. All the vet bills and returned traveling/shipping fees are the responsibility of the Buyer and the above puppy will not be accepted by the Breeder.

This health guarantee will remain valid if the current owners of Chowifornia Anthony and Jennifer Thomason maintain their current kennel operation as a business. In the event they terminate their kennel business, this guarantee will immediately cease to be valid and they will be absolved of any future obligations under this guarantee effective the date of said termination.
